

Attorney Docket No. P11258

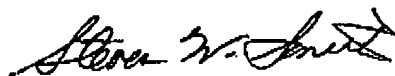

REMARKS/ARGUMENTS

Claims 62-66 have been rewritten in independent form including all the limitations of their base claims. In the Final Office Action dated 04/05/2005, the Examiner rejected claims 35-37, 40-44, 46, 50, and 53-60. Claims 15, 45, and 61-68 were allowed. In the Applicant's § 116 Amendment filed 06/03/2005, claims 35-37, 40-44, 46, 50, and 53-60 were canceled to place the application in condition for allowance. The Examiner subsequently issued a Notice of Allowance dated 07/05/2005 with allowed claims 15, 45, and 61-68.

Thereafter, the Applicant noticed that dependent claims 62-66 depended variously from base claims 35, 50, and 60, all of which were canceled in the Applicant's § 116 Amendment. Therefore, to place the application in proper condition for allowance, the Applicant has rewritten claims 62-66 in independent form including all the limitations of their base claims. The allowance of rewritten claims 62-66 is respectfully requested.

In view of the foregoing amendments and remarks, the Applicants believe all of the claims currently pending in the Application to be in a condition for allowance. The Applicants, therefore, respectfully request entry of this Amendment, without withdrawing the application from issue.

Respectfully submitted,
